

Hi to All Classmates and Thanks for the Information but we are not going to be able to attend. We are really busy with our rabbits and cats having bunnies and kittens along with chickens laying eggs and have baby chicks as well as dogs to care for so just not able to get away right now. Oh yeh! Also enjoying the sunrise and sunset with a few rainbows here and there and an antique airplane taking off on the grass runway occasionally with a nostalgia drag car making lots of noise on the drag strip next to the runway but we will be thinking of you all and wishing a good time for everyone...

Life is great in Mooresburg.
