

Bob and Patty

I will not be able to attend the reunion. We don't do much traveling any more a few trips to Las Vegas is about as far as we go. We used to go to Iowa every year but haven't been in 3 years. I did attend the All Class Reunion saw a few classmates then.

Was sorry to hear of Judy's passing. I tried to contact her when I found out she lived in Las Vegas. I talked to her Son or Son-in-law and he said she was not well.

I do take the Pocahontas paper. Try to keep up on what's going on there.

If a photo is taken at the reunion I would appreciate if you would send one.
